(Filed July 22, 2004)

**ADMINISTRATIVE LAW JUDGE'S RULING REGARDING EXPEDITED  
SCHEDULE FOR FILING OF ANY APPLICATION FOR REHEARING OF  
DECISION 04-11-015 AND RESPONSES THERETO**

Decision (D.) 04-11-015 was adopted by the Commission at the meeting of November 19, 2004, and mailed to the parties on the same day. In that decision, the Commission issued the financing order authorizing the issuance of energy recovery bonds pursuant to Senate Bill 772 ("SB 772") of the Regular Session of 2003-2004 (Stats. 2004, ch. 46).

This Financing Order construes, applies, implements, and interprets the provisions the provisions of Article 5.6 (commencing with Section 848) of Chapter 4 of SB 772, which modified Public Utilities Code Section 1731, and added Public Utilities Code Section 1769. Public Utilities Code Section 1731(d) requires that as a prerequisite for filing a cause of action "in any court," an application for rehearing of a Commission decision construing, applying, or

implementing the provisions of Article 5.6 (commencing with Section 848) of Chapter 4 must be filed within ten days after the date of issuance of the decision. (Pub. Util. Code, §1731, subd. (d).) Accordingly, applications for rehearing of D.04-11-015 are due ten days after the issuance of this decision.<sup>1</sup> Applications for rehearing of these decisions must therefore be filed by November 29, 2004.

Section 1731(d) also requires the Commission to “issue its decision and order on rehearing within 20 days after the filing of that application.” In order to issue a decisions or order on rehearing of D.04-11-015 within the applicable timeframe, the Commission will need to take up consideration of any applications for rehearing at its regularly scheduled meeting on December 16, 2004.

Pursuant to Rule 86.2 of the Commission’s Rules of Practice and Procedure, a response to an application for rehearing may be filed no later than 15 days after the day the application for rehearing is filed. Consequently, under the expedited schedule for the filing of applications for rehearing, responses would not be due until December 14, 2004, only two days before the December 16, 2004 Commission meeting. Therefore, so that the Commission may have sufficient time to consider responses to any applications for rehearing that may be filed, the time for filing responses must be shortened. Although the Commission is not obligated to withhold a decision on an application for rehearing to allow time for a response to be filed,<sup>2</sup> the time for filing a response to any application for rehearing shall be shortened to December 7, 2004. Accordingly, any party

planning to file a response in this matter shall file and serve the response on or before December 7, 2004. Any response shall be served by electronic mail on those parties on the service list who have provided an e-mail address, and by first class mail or other expeditious mode of delivery to those who have not provided an e-mail address. In addition, any responses shall also be electronically served on the following Commission staff: Mary McKenzie (mfm@cpuc.ca.gov).

Therefore, **IT IS RULED** that:

1. Any party filing an application for rehearing of Decision (D.) 04-11-015 shall file the application on or before November 29, 2004, and shall serve the application in the same manner as specified for responses.
2. The time for filing a response to any applications for rehearing of D.04-11-015 shall be shortened. Any party filing responses to such applications for rehearing shall file the responses on or before December 7, 2004, and shall serve the responses in the manner specified above.

Dated November 19, 2004, at San Francisco, California.
